CORE MODULES	DEPLOYMENT TIERS	UPTIME SLA	SUPPORT ACCESS	YEARS EXPERTISE

6 INTEGRATED MODULES

Biometric Attendance

Fingerprint, face-recognition & RFID clock-in/out. Real-time dashboards, shift scheduling, and overtime tracking.

Payroll & Benefits

Automated payslip generation, tax & NSSF compliance, mobile-money disbursement, and audit-ready reports.

Recruitment & Onboarding

Job-board publishing, applicant tracking, e-contract signing, and structured onboarding checklists.

Performance Management

KPI setting, 360° appraisals, development plans, and real-time performance dashboards for managers.

Training & Development

Internal LMS, certification tracking, training-needs analysis, and compliance learning paths.

Leave & Time Management

Self-service leave application, multi-level approval workflows, public holiday calendars, and balance tracking.

PLATFORM HIGHLIGHTS

- ✓ Mobile-first responsive interface — access from any device
- ✓ Multi-currency & multi-country payroll support
- ✓ Secure data encryption at rest and in transit (AES-256)
- ✓ AI-powered HR analytics & predictive attrition alerts
- ✓ Role-based access control — employee, manager, HR, admin
- ✓ API-ready integration with ERP, accounting & DHIS2 systems
- ✓ Automated compliance reports: NSSF, PAYE, WHT, pension
- ✓ White-label option available for institutional branding

DEPLOYMENT OPTIONS

STANDARD

Cloud SaaS

Hosted on AtineHR cloud infrastructure. Quick setup, no hardware investment. Ideal for SMEs and NGOs.

MOST POPULAR

On-Premise

Installed on your own servers. Full data sovereignty. Preferred by government and large institutions.

ENTERPRISE

Fully Managed

We host, maintain & operate AtineHR on your behalf. 24/7 monitoring, quarterly reviews, priority helpdesk.
